

FABRICS

CRANLEY GARDEN

Color: DOCUMENT

SKU No: 1314000

Also available in **WALLCOVERINGS**

What makes it special

This romantic, lively print of flowers and birds has been in the archives for so long that its history has been lost to time, but it's so beloved that Schumacher thought it high time to revive it with new colors. Likely based on an English document, this new version is table printed the old-fashioned way.

Product Details
