

FABRICS

DAISY CHAIN

Color: PRIMARY MULTI | SKU No: 180130

What makes it special

London-based fashion duo Clements Ribeiro created Daisy Chain in primary multi in homage to a vintage 1970s print that instantly transported them to their childhood bedrooms. Vaguely psychedelic, the medium-scale fabric is a trippy landscape of rolling hills and seas made of beads and daisy chains. Also available as a wallpaper.

Product Details

SIZING & MEASUREMENT

Horizontal Repeat	27" (69CM)
