

## FABRICS

### TOUSSAINT TOILE

Color: BLACK

SKU No: 180270

Also available in **WALLCOVERINGS**

#### What makes it special

Created in collaboration with Haitian American fashion designer Victor Glemaud, Toussaint Toile in black pays homage to the artist's Caribbean heritage. Featuring historic scenes that celebrate Haiti's liberator, Toussaint Louverture, along with the country's flowers, foliage and landscapes, this large-scale print on 100% linen is an illuminating take on traditional toile. Also available as a wallpaper.

#### Product Details
