LE CITRON

Color: SKY

SKU No: 180631

Also available in **WALLCOVERINGS**

What makes it special

Le Citron in sky is a wonderfully charming fabric design by Johnson Hartig of Libertine. Printed on pure linen, this whimsical lattice of leafy lemons has a beautiful engraved aesthetic and fluttering ribbon accents that allude to the designer's initials. It is a fun mid-scale pattern suitable for light upholstery, pillows or window treatments. Also available as a wallpaper.
