

WALLCOVERINGS

EDIE METALLIC

Color: GLAM GOLD

SKU No: 5012740

What makes it special

Part of the Cristina Buckley collection, Edie wallpaper in glam gold owes its graphic simplicity to the vintage floral patterns of Vera Neumann and Florence Broadhurst. This mid-scale design, with its staggered rows of flower silhouettes and super shiny mylar ground, makes a chic and cheerful statement whether used on a focal wall or throughout a space. Also available as a flat paper.
