CHAUCER'S FOREST PANEL SET

Color: DOCUMENT

SKU No: 5013290

What makes it special

Inspired by an antique tapestry, the fanciful flora and whimsical fauna in Chaucer's Forest Panel Set were reconfigured and rescaled to create this extraordinary two-panel design. Each element in this wonderful scenic wallpaper is beautifully detailed, including the weave-like texture that creates dimension and evokes the original textile. Whether this design is used around an entire room or framed on a focal wall, the effect is playful, mystical and fabulously chic.
