FAIRIE GARDEN

Color: ORANGE AND NAVY | SKU No: 5013540

Also available in **FABRICS**

What makes it special

Fairie Garden in orange-and-navy is at first glance an exuberant and romantic floral, but it reveals a hidden universe of doll-like girls and fairies with butterfly wings. Created by London-based fashion house Clements Ribeiro and inspired by the outsider art of Henry Darger, this wallpaper has all the depth of the original ink-and-watercolor design. Also available as a fabric.
