

WALLCOVERINGS

ARCHITECTURRA

Color: IVORY

SKU No: 5014271

What makes it special

With its charming trompe l'oeil grid of architectural vignettes and wonderful hand-colored aesthetic, Johnson Hartig's Architectura wallpaper in ivory was inspired by an antique document and enlivened by hidden hearts, eyes and other fun Libertine "Easter eggs." This large-scale pattern is printed on a special coated paper to create a subtle, elegant sheen.

Product Details
