WABI-SABI

Color: MOSS

SKU No: 5014591

What makes it special

Named after the Japanese concept that embraces ephemeral and imperfect beauty, Wabi-Sabi in moss offers an unusual take on a familiar geometric pattern. The grid design, softened by irregular edges and subtle tonal variations, has an interesting stripe effect and a unique hand-painted look. Use this perfectly imperfect mid-scale wallpaper pattern to accentuate a single focal wall or wrap an entire room. Pairs with Backdrop paint colors Road to Todos Santos, Lawn Party and After Hours.
