### SASHA DIAMOND IKAT

Color: JADE AND PLUM

SKU No: 80662

#### What makes it special

Part of the Cabana collection, Sasha Diamond Ikat in jade-and-plum is woven the authentic way—as a true warp print—an age-old handmade weaving technique that is painstaking and produces soft variations in look and color that are incomparable. This fine weave, made with 100% cotton yarns, may be small in scale, but it will definitely have a large impact for those in the know.
