

FABRICS

THEODORA EMBROIDERY

Color: SAFFRON

SKU No: 80740

What makes it special

Inspired by the folkloric embellishments on an antique Ukrainian blouse, Theodora Embroidery in saffron features a pair of vertical floral serpentine stripes stitched on a hand-dyed linen ground. Part of the Cabana collection, this appealing fabric design lends itself to many imaginative applications, whether used selvage to selvage or framed on a chair or pillow.
