

FABRICS

LIGHTFOOT STRIPE

Color: MOSS

SKU No: 81442

What makes it special

Inspired by an 18th-century woolen textile that was likely used for a woman's garment, Lightfoot Stripe in moss is an artisanal handwoven mid-scale design made of cotton and linen. A specialty weave featuring an unusual and beautifully crafted twisted stripe, this fabric works beautifully for windows, upholstery and pillows. © 2022 The Colonial Williamsburg Foundation.
