What makes it special

Brooklyn-based design studio Workstead masterfully combines traditional inspiration with contemporary elegance. Workstead designs one-of-a-kind interiors and pieces that balance beauty with necessity, and this book presents a special blend of their tour-de-force historic renovations and innovative yet elegant new constructions. Over the past decade, the multidisciplinary design firm has earned rapid and wide acclaim for both their residential interiors as well as for larger-scale projects, such as the Wythe Hotel in Brooklyn and the Rivertown Lodge in Hudson, New York. In all their projects, Workstead considers both clients and community, working with local artisans to create meticulously crafted modern interiors, architecture, and furniture designs inflected by history.
