

RUGS

Cocodrilo Rug

Color: NATURAL/BLACK

SKU No: R73066

What makes it special

Inspired by Alexander Calder's tapestries and designed by Charlap Hyman & Herrero, the Cocodrilo Rug is an exuberant and graphic take on the crocodile. Hand-coiled abaca shapes the reptile's scales and joyful, toothy grin. Measuring more than nine feet long, this natural-fiber design makes an ideal runner.

Product Details
