

## PILLOWS & ACCESSORIES

### Library of Wallcoverings

Color: WHITE

SKU No: SBWC5

#### What makes it special

The fifth edition of The Schumacher Library of Wallcoverings is a complete compendium of our wallcoverings portfolio. With over 150 new patterns since our last volume, it catalogs over 2,500 fabulous products, including scenic panels and romantic florals to printed grasscloths and versatile stripes. Just like its companion, our popular Library of Prints, it's filled with designs that are united by that signature Schumacher attention to quality and devotion to beauty.
