Woodland Leopard Velvet Pillow

Color: MINERAL

SKU No: SO8008018

What makes it special

This pillow features Woodland Leopard Velvet with a knife edge finish. A host of historic paintings and textiles served as source material for this fabulously stylized leopard and tree motif. The midscale mirrored repeat design combines loop-and-cut pile sections that make the trees and big cats stand out in even sharper relief against the background. Pillow includes a feather/down fill insert and hidden zipper closure.
